

The Downham Market Academy Careers Programme.

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers. This will be integrated into a wider careers plan or strategy for the school.

The events listed on our Careers Programme are subject to change and this is not an exhaustive list, as events are scheduled outside of the planned programme on an on-going basis, dependent upon need and opportunity:
